# Genocide bills in Canadian politics.

Canada's aboriginal people  
faced genocide ! Millions died.  
They still protest.

**Three Ontario municipalities  
passed Genocide bills IGNORING  
domestic genocide, about an alleged Tamil genocide  
in far away Sri Lanka**

**The Ontario Legislature is studying bill 104 to  
pass a “Tamil Genocide Education week” !**

Bill 104 is FALSE because the UN has ALREADY rejected the “Tamil Genocide” claim.

commissioner

Let US FACT CHECK THE OTHER  
CLAIMS OF BILL 104

# **Bill 104 is a tissue of lies because one lie leads to another.**

I give just three examples,  
and other speakers will  
expose other lies used in Bill 104.

- \* Tamil families are said to be homeless & suffering in the North and East.**
- \* The SL govt. is accused of not issuing enough food to Tamils held hostage by the Tigers in 2009.**
- \* Sri Lanka is said to prevent Tamils from maintaining their language.**

**CLAIM:** Tamil families are said to still suffer in the North & East.

**Fact:** 300,000 Tamils were rescued from the Tigers, and Most Tamils have been resettled. The LTTE-destroyed infrastructure is now restored.

**CLAIM:** Tamil families still suffering in the North & East.

**Fact:** It is the Sinhala and Muslim families who are suffering.

**Fact:** Some 80,000 people who are Muslims & Sinhalese were evicted **AT GUN POINT** by the Tamil Tigers in an act of ethnic cleansing. **NOT YET SETTLED.**

**CLAIM:** Tamil families are said to be still homeless in the North and East.

**FACT:** The pro-LTTE northern provincial council with its RACIST EXCLUSIVE TAMIL HOMELAND POLICY Have PREVENTED the re-settling of Sinhalese and Muslims who were made IDPs by the LTTE.

**Bill 104 fails to mention the REAL TRUTH – it is the Sinhala and Muslim refugees who suffer.**

# Eviction of Muslims from the North at gun point by Tamil Tigers.

The pro-LTTE northern provincial Council's RACIST EXCLUSIVE TAMIL HOMELAND POLICY has PREVENTED the re-settling Of ~100,000 Muslims and Sinhalese who were made refugees/IDPs by the LTTE.

Tamil Tigers ROBBED everything the Muslims had. They were allowed Rs 300 each (about two dollars).

Bill 104 fails to mention the REAL TRUTH.

**Eviction of Sinhalese from the North by Tamil Tigers: Jaffna Univ. was “Ethnically cleansed” of Sinhalese first. All sinhalese were expelled by the 1990s.**

**The pro-LTTE northern provincial Council's RACIST POLICY has PREVENTED the re-settling Of Sinhalese in their old homes. A few brave Sinhalese have returned.**

**Malkanthie**

**Bill 104 fails to mention the TRUTH**

# **Tamil Language is suppressed in Sri Lanka: *False claim of bill 104.***

**Tamil is an  
administrative  
language in ALL 9  
provinces.**

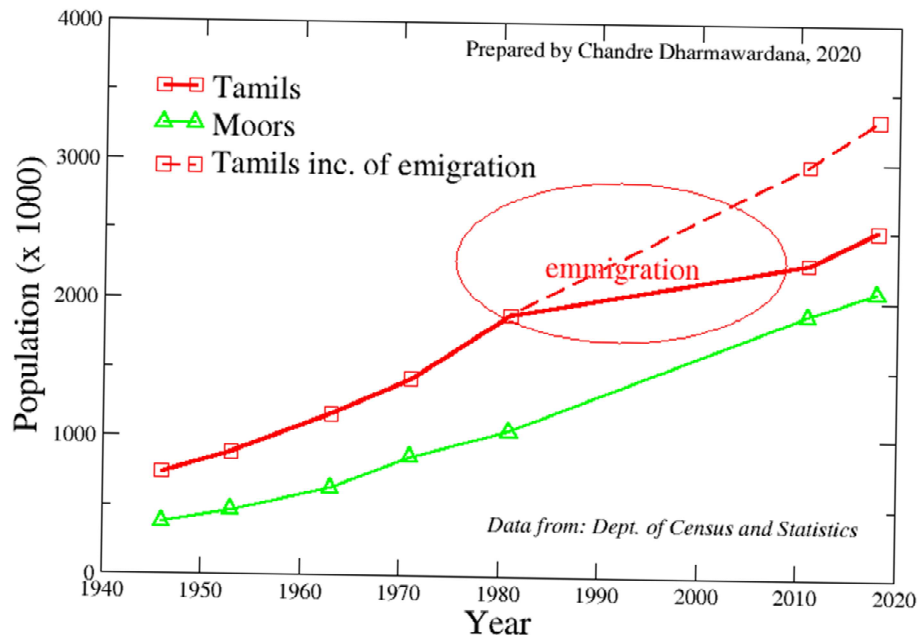

**Tamil and Sinhala are  
EQUALLY official  
Languages since 1987**

**Sinhala is an  
administrative  
language ONLY in 7  
provinces.**

**So SINHALA is the  
discriminated  
Language**

# FACT: Tamils and Tamil Language are thriving in Sri Lanka Falsifying claims of bill 104

**Tamil Demographic:**

**More Tamil books, films, drama have come out in the last decade than ever before.**

# **FACT: Tamils and Tamil Language are thriving in Sri Lanka Falsifying claims of bill 104**

**Bibliometric studies  
(e.g., Rameshwaran  
2005) Out of 91  
publications analyzed,  
40% are published in  
Colombo. After 2009,  
numbers have  
doubled.**

**There are over a dozen  
Sri Lankan Tamil  
newspapers 100s of  
websites etc.**

**So WHERE IS THE  
EVIDENCE OF  
SUPPRESSION?**

# **FALSE CLAIM of Bill 104: That the govt. of Sri Lanka did not provide enough food to TAMILS held to ransom by the Tigers.**

**According to the Red Cross, govt. provided 534,227 metric tons of food, and the UN food program gave 7,435 metric tons, over the five months. *Also, tigers made it difficult to deliver food.***

**The UN-Darusman report ignores the Red Cross data and used only the 7435 tons. That was later noted. But Bill 104 advocates IGNORE the rectification.**

# Bill 104 on alleged Tamil Genocide

**Bill 104, brings into Canada divisive politics that plagued Sri Lanka's ethnic harmony for decades.**

**Bill 104 is an affront to the aboriginal people of Canada whose proven Genocide deserves recognition before any foreign genocides.**

**Bill 104 should be REJECTED in TOTO.**
